

Nervous Prostration

"I had a general breakdown. A gentleman advised Dr. Miles' Nervine, and I noted an improvement after a few doses, and two bottles gave me entire relief."

WM. R. BURKHARDT,
369 Rawling St., Washington C. H. O.
When the nervous system is weakened, one after another of the organs which they control become inactive, and a general breakdown eventually follows. It may be either the stomach, heart, lungs or kidneys that is first affected.

Dr. Miles' Nervine makes weak nerves strong, by its soothing and strengthening influence upon the nervous system. The first bottle will benefit; if not, the druggist will return your money.
